

Logging on to Your Account and Accessing the C3 Group

You can log on to your account at:

<http://members.ACCOonline.org>

Under the “My Profile” header, click on the “Groups” link, then follow these steps:

1. Click on the “Partner Groups” link under “Group Permissions”
2. On the Community Groups page, click on the “Climate Conveners Clearinghouse (C3)” link

Leveraging the Group Features

From the C3 Group landing page, you can interact with group members by posting on the Group Feed.

You can also click on the “Directory & Features” button for a drop-down menu that gives you the following options:

- **Group Directory:** Enables you to search for other group members
- **Calendar:** Use this feature to organize group activities, view group events and share upcoming events with your peers
- **Blogs:** The group blogs enable you to post insights and collaborate with peers and is only visible to group members
- **Forums:** Discussion threads allow you to start and participate in different conversations through this posting board.
- **Photo Gallery:** Share visuals with peers using this feature.
