

ACEC *Indiana*

ACEC Indiana is an association representing consulting engineering firms that offer professional services to enhance the quality of life for every citizen in Indiana. Founded in 1959, ACEC Indiana assists its members in achieving higher professional, business and economic standards.

MEMBER BENEFITS

Membership is an investment in your business, profession and career. Membership in ACEC Indiana has a great return on your investment.

Here are few of the key benefits of membership:

- Networking with members and client organizations
- Partnerships with client agencies
- Promotion of your business and the consulting engineering profession
- Legislative and political advocacy
- Access to current industry and business information
- Executive and employee training programs
- Approved continuing education programs
- Awards and scholarship programs
- ACEC National Membership
- ACEC Business Insurance Trust
- ACEC Life/Health Insurance Trust
- ACEC Retirement Trust

LEGISLATIVE ADVOCACY

ACEC Indiana develops a legislative agenda each year to address the issues affecting consulting engineering companies. Our legislative program focuses on advancing issues that improve the business environment for Indiana consulting engineering firms.

Current key issues include:

- Long term, sustainable state highway and local road/ bridge transportation infrastructure funding
- Water/ wastewater/ stormwater infrastructure investment
- Create and retain high-paying, professional jobs in Indiana
- Tax and professional liability reform
- Qualifications Based Selection (QBS)
- Counteract “commoditization” of A/E professionals
- Protect firms from new mandates that drive up the cost of doing business

COMMITTEES

Engaging in ACEC Indiana committees provides a unique opportunity to work alongside ACEC members and government agency personnel to address important professional matters.

Our committees include:

- Citizen’s Energy Group
- Environmental Business (IDEM)
- Funding Sources (OCRA, IFA, USDA/RD, DOE)
- Indy DPW
- IDNR
- INDOT
- Vertical (MEP, Fire Prevention and Building Safety)
- Diversity
- Education
- Government Affairs
- Qualifications Based Selection (QBS)
- Transportation Funding (Task Group)

EVENTS AND CONTINUING EDUCATION
