AFS Fellows

_____ Regular rate (\$50)

_____ Retired rate (\$25)

These additional dues are only for those AFS members who have been elected to the Fellows.

International Sponsorship (\$50)

To ease currency and other restrictions for members and potential members who live outside the United States, AFS members are invited to sponsor an international member. Your \$50 contribution will be matched by the Society to provide full membership benefits. If you would like to name an international recipient, please provide the member's name, address, phone (with all country and city codes), and email below. If you would like to support the initiative without naming a recipient, please make a contribution to the AFS Sustainers' Fund (see below).

Contributions to AFS

The American Folklore Society offers two opportunities for individual donors who want to make a financial contribution to the Society in order to support its members and strengthen the field:

_____ The AFS Endowment Fund provides opportunities for donors who want to make a present gift, or a future pledge, that will be invested rather than spent. We will use the investment income from these gifts to keep the Society and field strong for the long-term future.

_____ The AFS Sustainers' Fund provides opportunities for donors who want to make a present gift to the Society that will be used to support and enhance its current programs and services.
