Project Description: We will be greeting visitors and promoting the Geauga Humane Society's Rescue Village at their Outreach Program booth which will be held at the IX Center.

About Site: Geauga Humane Society's Rescue Village goes above and beyond for the animals and for the people of northeast Ohio. We started with a vision that continues to capture our imagination and fuel our efforts ~ look at us now and join with us on this journey! Our mission:

- to **shelter** and find homes for sick, injured, abused, and abandoned domestic animals that have no other alternatives
- to **foster** compassion for all living things through education
- to **reduce** pet overpopulation through spay/neuter programs
- to **prevent** cruelty by enforcing animal protection laws

Website Address: <http://www.geaugahumane.org/>

Materials Supplied by Site: The Rescue Village will provide us with name tags and packets of information about the shelter. If you are interested in volunteering at the IX Center, it is critical that you contact me by August 29th - I will need to mail you a packet of information about Rescue Village prior to the event. Also, this timeline will allow your name to appear on a list for free admission into the event.

Things you should bring: I am guessing that we will be standing for the majority of the time, so it may be in your best interest to wear comfortable shoes.

Restrooms: Available on -site
