Project Description: EnPuzzlement is a resource Warehouse that aids other nonprofit organizations with their missions. We will be assisting them with organizing their resources for the following week's activities. Activities include stocking, inventory, labeling, etc. Everyone will have the chance to participate in the EnPuzzlement program on a personal level and to help others that may be struggling with how they fit. All are welcome!

About Site: EnPuzzlement is a totally private organization, and is run on a completely volunteer base of family and friends. Our reason for existence is to be a resource for the individual to serve in the way they were designed! EnPuzzlement created a Resource Center, filled with corporate donations in over 10,000 square feet of space, loaded with canned goods, boxed items, hygiene supplies, pet supplies, cleaning products and always a few surprises!
