Project Description: General indoor and outdoor activities will be available depending on the weather and your personal preference. There is always a lot of things to do on any day including lawn work, moving furniture, sorting clothes, cleaning & stocking the food pantry, etc.

About Site: Third Phase is a Christian Center that is a 33-room house on 10 acres of land. It has a large wooded area, a spring, and a pond to fish in. There are rolling hills suitable for sledding in the winter months. In the spring, a large vegetable garden is planted. We have space to think, work, study, and recover.
