

# College of Lake County invites applications for the position of Dean of Engineering, Math & Physical Sciences

## Connect to your future

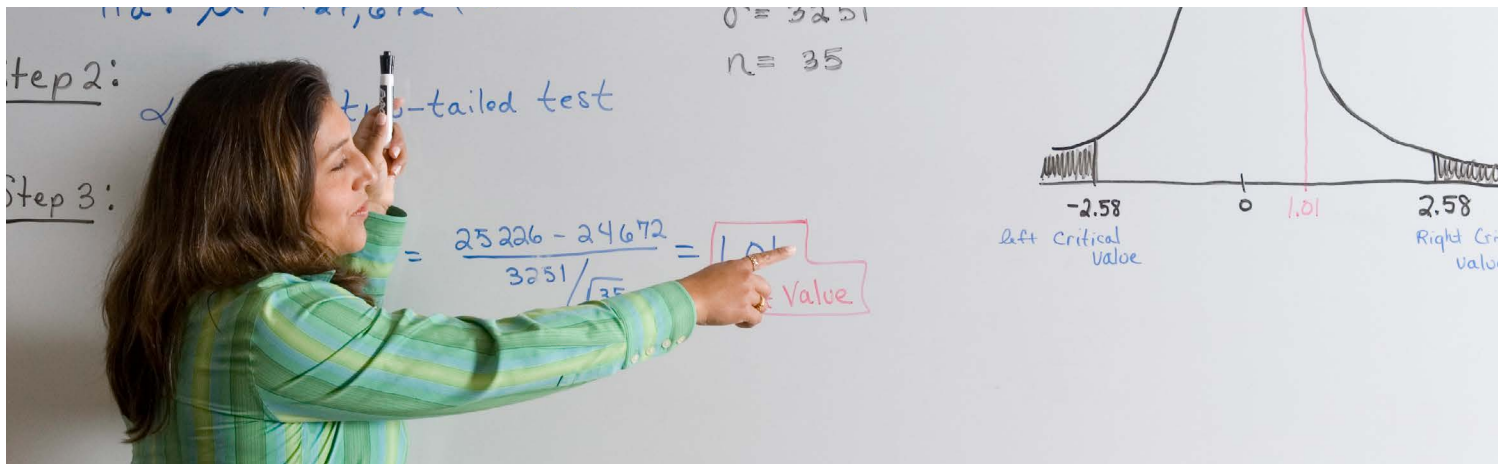

The College of Lake County (CLC) is a vibrant, comprehensive community college with a focus in advancing student learning and success; promoting diversity, global engagement and sustainability; and ensuring a culture of innovation, excellence and continuous improvement.

Located in the far northern suburbs of Chicago, CLC hosts a diverse student population averaging 15,000 full- and part-time students from all backgrounds and financial circumstances. With 1,602 full- and part-time employees, CLC is one of the larger employers in Lake County, Illinois.

We are committed to a culture of equity that values EVERY member of our college community. If you share our vision of a welcoming, encouraging and excellence-seeking institution, we want to hear from you.

# Dean of EMPS

## A UNIQUE ACADEMIC DIVISION

- Balanced leadership opportunity to support both transfer and career and technical education; college-wide supports in place to promote success in leading both types of programs, such as Career and Job Placement Center; Guaranteed Transfer Agreements and the Tutoring Center
- Engaged faculty at the state and local level; examples include involvement in piloting Transitional Math courses with high schools to positively impact college readiness and creating Open Educational Resources (OER) in STEM disciplines
- Robust relationships with local employers who have a demonstrated track record of supporting programs with equipment donations, internships and hiring CLC graduates
- State-of-the-art learning and laboratory facilities, including recent investments in Advanced Manufacturing, Automotive Collision Repair, Baxter Innovation Lab, Laser/Optics/Photonics and Mechatronics
- Proven track record in securing grants, including national/federal level grants such as National Science Foundation and Department of Labor TAA

## JOB OPPORTUNITY

The Dean of Engineering, Math and Physical Sciences (EMPS) provides the vision, leadership and strategic direction for the division and is an academic leader within the institution.

### Required Qualifications

- Master's degree
- Teaching experience
- Minimum three years higher education experience
- Ability to work effectively and constructively with persons of diverse cultures, language groups and abilities
