

Assistant Professor, Mathematics  
(Riverside City College)  
\$61,182 - \$94,265 per year

**BASIC FUNCTION:**

The successful candidate will be responsible for lecture and/or laboratory instruction in the full spectrum of community college mathematics from Arithmetic through Differential Equations, Linear Algebra and Statistics. This candidate will share Riverside City College's and the Mathematics' department commitment to educating its racially and socioeconomically diverse student population.

**EDUCATION:**

Master's degree in mathematics or applied mathematics; OR Bachelor's in either of the above and Master's in statistics, physics, or mathematics education; OR the Equivalent

**EXPERIENCE:**

Recent experience teaching mathematics at the community college or baccalaureate level is required.

**COMMITMENT TO DIVERSITY:**

Evidence of a sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students (E.C. 87360a). Only electronic, on-line applications are accepted. All supporting materials, required or optional, must also be in electronic formats and attached to the electronic, on-line application when applying. This includes recommendation letters which must be NON-CONFIDENTIAL and submitted electronically when applying on-line. Please submit current letters.
