

Developmental Mathematics and Mathematics, 10 month Faculty

Tracking Code

FY18-61

Job Description

Located below Washington DC and between the Potomac River and the Chesapeake Bay, the College of Southern Maryland serves a culturally and geographically diverse region. Founded in 1957, CSM was named in 2017 as one of the top 150 colleges by the Aspen Institute Prize for Community College Excellence, boasts strong transfer and workforce programs, and is a multi-year recipient of the Workplace Excellence Award.

College of Southern Maryland invites applications for two 10-month, non-tenured track Developmental Mathematics and Mathematics faculty members at the La Plata campus. The faculty member(s) will be responsible for the coordination, planning, preparation, presentation, and evaluation of classroom instruction and related activities to promote student-centered learning. The faculty member is responsible for performing assigned duties during the day, evening, or weekend on the campus or center to which the faculty member is assigned. At a minimum, the related activities include instruction, holding office hours, serving on various committees, and participating in local, state, regional, and national professional activities and organizations. A faculty member performs all other duties as directed by the Division Chair, Vice President of Academic Affairs, or the President, or designee.

The faculty members will teach 15 credits per semester; 30 credits per 10 month contract period. The faculty members will schedule, publish, and hold 5 office hours per week during the academic year, including fall and spring semesters. The faculty members will participate in professional development opportunities and perform professional service hours based on faculty placement in rank, as set forth in the Faculty Handbook.

Primary areas of teaching responsibility include: Mathematics

Along with the DEV MTH and STEM MTH coordinators, they will collaborate with other MTH faculty to ensure courses are offered and instructed in a consistent manner in terms of course descriptions, outlines, and outcomes including assessment of these outcomes.

When applying for these positions, be prepared to answer the following statements during the application submission process:

- **Please describe your activities that demonstrate a commitment to student success for a diverse student population.**
- **Please submit a statement of your teaching philosophy.**

College of Southern Maryland conducts background checks in order to ensure the safety and well-being of the college's staff and students. The final candidates for these positions will be subject to the following background checks: Criminal History Check.

These positions are open until filled. For best consideration, apply by 11:59 pm EST Thursday, 03/29/18. The College of Southern Maryland is an Equal Opportunity Employer.
