

2017 Annual Conference Sponsorship Brochure September 25-September 27, 2017 Leesburg, VA

About ANDE's Annual Conference

The Aspen Network of Development Entrepreneurs (ANDE) is a global network of organizations that propel entrepreneurship in emerging markets. ANDE members provide critical financial, educational, and business support services to small and growing businesses (SGBs) based on the conviction that SGBs will create jobs, stimulate long-term economic growth, and produce environmental and social benefits. Ultimately, we believe that **SGBs can help lift countries out of poverty.**

Each year, the ANDE Annual Conference is the largest gathering of members from around the globe. The event hosts **over 230 high-level executives of ANDE member organizations**, including leading **investors, capacity development providers, foundations, banks, corporations, and research institutions.** The ANDE Annual Conference is designed to deliver the following value to ANDE members:

- **Build stronger relationships and promote collaboration among ANDE Members**
- **Provide a forum for developing solutions to common challenges**
- **Foster the development of ANDE regional chapters**
- **Enable members to realize new funding and investment opportunities**
- **Shape ANDE priorities for the following year**

This gathering is **highly interactive and practically focused.** The agenda features roundtable workshops focused on solutions to common challenges, structured and unstructured networking sessions, and participatory plenary sessions with leading thinkers in the entrepreneurship space.

“In a field where you could make a career just going to conferences, the ANDE Conference is the only one where frank, honest conversations about what works and what doesn't takes place.”

“It is like being part of an extended family that is comfortable and familiar on one hand, and yet you are constantly meeting new relatives you did not know you had - and finding you have a great deal in common. Always something to learn!”

In 2015 we had....

MORE THAN 220 SENIOR-LEVEL ATTENDEES

Awards dinner
Region-specific breakout discussions

"This is the one conference that I will make every effort to attend--it's by far the best event and the most valuable to the work I do. I like the small size, the sense of community, the substantive conversations and honest discussions, and the high level of the attendees. And it's fun!"

How your support will impact the 2017 ANDE Annual Conference:

Scholarships for international participants: Part of what makes the ANDE Annual Conference so special is the wide variety of participants from different sectors, geographies, and types of organizations. Over the past 7 years, ANDE has given hundreds of thousands of dollars in scholarships, supporting our colleagues from Kenya, India, Brazil, Nigeria, Pakistan, Bolivia, Haiti, China and beyond to attend this event. We hope to be able to provide scholarships to 40 international participants in 2017.

Enhanced Networking: The three days participants spend at the ANDE Annual Conference are full of networking- both structured and informal- and this year we are enhancing this experience through a dedicated conference website. This will allow participants to communicate before and after the conference, set up in-person meetings at the conference, and share thoughts and ideas for conference sessions.

Affordable registration fees: ANDE will be able to keep the costs down for everyone!
