## **Selection Process**

Following is an outline of the process CAG will follow to select participants for its projects.

1. Review submitted applications by a selected body of the Education Committee.
2. Contact applicants for missing, incomplete or unclear entries on the application.
3. Read applications using a defined rubric to select the applicants who are most in compliance with the criteria outlined for participation in particular CAG project.
4. Contact applicants who have been identified as potential project participants to ensure their willingness to continue consideration in the CAG project.
5. Determine final applicants for the project and receive Board of Directors and Executive Committee approval of the final applicants.
6. Notify the final applicants of their selection and arrange plans for announcements of their participation.
7. Initiate the project.
