

Michael Harbridge

Educational Arts Manager for Royal & Langnickel Brush

I am responsible for creating workshops and lesson plans for the K-12 school and ceramic markets. I have a working studio at my home in central Wisconsin, where I spend time with my wife and daughters coming up with creative ideas and new methods. I owned two studios and a clay manufacturing company for 15 years so I know the manufacturing side, the distributor view, the dealer aspect, and the work that goes into running a successful studio. I teach workshops around the country and run online webinars for those who can't make it to a hands-on workshop.
