

Marcus Woodward Memorial Education Scholarship Form

The Marcus Woodward Memorial Scholarship Fund was established in 1978 in honor of Marcus' services, dedication and passion to further mentor and educate the public treasurer's profession. CMTA hosts two workshops per year that set the tone for continuing education of treasury accountability and high professional standards. Developed and sustained by treasury professionals, the workshops reinforce and promote best practices, institutional ethics and provide essential and advanced course curriculum that apply toward the 40 hours of continuing education required for eligibility of CMTA's Certified California Municipal Treasurer status. The scholarship will waive the registration fee including onsite lodging for participants.

Eligibility: Scholarships are offered to CMTA active public agency members and limited to one recipient per agency.

Please complete the information below and submit your requests via e-mail to yelena@cmta.org.
