2017 CAES Nomination Form

Q13: Describe your CASE/CAES involvement and community service activities

--I have served as a 2016-17 CAES Director-at-Large and attended CASE conferences (2/2015 & 16, 7/2015 & 16);
--CAES panel participant Q&A session--How will SB191 Affect CAES members? (2/2013); helped facilitate 2/2017 Peer Session
--Other related community service / volunteer positions:

1) Association of Colorado Educational Evaluators (ACEE), President (2012-2013), Vice-President (2011-2012), Secretary & Treasurer (2010-2011)

NOTE: As president of ACEE, I consulted with Elisabeth Rosen for advise to yield the most impact on a position paper and talking points about SB 191 after it felt like a letter send the year when I was vice-president, fell on deaf ears. The paper focused on the technical realities to support successful incorporation of student growth metrics in educator evaluation systems. The paper was developed by my lead as president working with other ACEE members with expertise in areas addressed in the paper. I organized a group of ACEE members including myself to meet with Senator Michael Johnston to address these technical issues, providing a district perspective. With this CAES nomination, I feel like I can extend my experience as an ACEE officer to further the district voice to influence positive change at the policy level.

2) School Accountability Committee, Monarch High School, Chair (8/2015-present), Secretary (8/2014-5/2015);

3) School Accountability Committee, Fireside Elementary, Chair (9/2005-5/2011)
