

CI Professional Education 2017-2018 Underwriters

**UNIVERSITY
OF HARTFORD**

ABOUT THE PROFESSIONAL EDUCATION PROGRAM:

The Construction Institute's Professional Education program is a resource for industry professionals to receive intensive hands-on training. You and your employees can select from a wide range of training sessions focusing on current issues in business management and development design, facility management, law and project management. We hold workshops in both Hartford and Fairfield Counties, and many are also offered as live webinars.

BENEFITS OF BEING AN UNDERWRITER:

- Your AD in both the Fall and Spring Professional Education brochures, which will be available as an interactive, online flipbook with a link to your website. Printed versions of the brochures will also be distributed at CI workshops and events.
- Underwriter recognition on all Professional Education email announcements, with link to your website
- Underwriter recognition on all Workshop registration pages, with link to your website
- Company logo printed on Professional Education banner, displayed at all workshops
- Company logo displayed on Workshop Handout and Powerpoint
- Recognition at the CI Annual Membership Dinner
- Vouchers for free workshops*
