

Proclamation

Whereas, As children across the State of Wisconsin prepare for the start of another school year, many of them will begin their studies with undiagnosed and untreated vision problems; and

Whereas, Research shows that vision disorders are the number one handicapping condition of children. In fact, as many as one in four school age children have vision problems, according to the College of Optometrists in Vision Development; and

Whereas, All children deserve the opportunity to learn and to achieve their full potential. For the above reasons, public awareness about learning-related vision problems is necessary to ensure that young people receive the prompt vision treatment they need to enhance their lives; and

Whereas, Parents, educators, school nurses and all concerned adults are encouraged to recognize the critical role good vision plays in the learning process and to work together to help prevent or reduce the impact untreated vision problems can have on our children's ability to read and learn.

Now, Therefore, I, Michael J. Neitzke, by virtue of the authority vested in me as Mayor, do hereby proclaim the month of August, 2013, as

Children's Vision and Learning Month

in the City of Greenfield.

In Testimony Whereof, I, Michael J. Neitzke, Mayor of the City of Greenfield, have hereunto signed my name and caused the seal of the City of Greenfield to be affixed this 23rd day of July, 2013.
