

A Proclamation:

August is Children's Vision and Learning Month

WHEREAS, as children across the State of Wisconsin prepare for the start of another school year, many of them will begin their studies with undiagnosed and untreated vision problems; and

WHEREAS, research shows that vision disorders are the number one handicapping condition of children. In fact, as many as one in four school age children have vision problems, according to the College of Optometrists in Vision Development; and

WHEREAS, all children deserve the opportunity to learn and to achieve their full potential; and

WHEREAS, for the above reasons, public awareness about learning-related vision problems is necessary to ensure that young people receive the prompt vision treatment they need to enhance their lives.

NOW, THEREFORE, I, Matt Trebatoski, City Manager of the City of Fort Atkinson, in accord with the Officer of the Governor of the State of Wisconsin, and in recognition of the importance of good vision to learning, do hereby proclaim August, 2014

Children's Vision and Learning Month

and I encourage parents, educators, school nurses and all concerned adults to recognize the critical role good vision plays in the learning process, and to work together to help prevent or reduce the impact untreated vision problems can have on our children's ability to read and learn.

IN WITNESS WHEREOF, I have hereunto set my hand this 24th day of July, 2014.

Matt Trebatoski, City Manager
City of Fort Atkinson
