

THE SUPERSUPERVISOR SERIES

The positive impact of great employee relations programs can be negated in the eyes of the employee if the supervisor fails to motivate and lead with a positive approach. As a result managers fail to obtain top performance from their employees.

Mildred Ramsey, who as a shop floor employee, observed managers and supervisors for 42 years, brings it all together in "SuperSupervisor® I" and "Super Supervisor® II" and the motivational video "A WINNER *warts and all*". These videos, based on her book "The Super Supervisor" bring Mildred's basic training in leadership, motivation and human relations alive with candid and humorous style.

Designed for viewing by your first line supervisors
these videos are at once entertaining, educational,
unique, humorous, motivational and basic.

The Series consists of -

SuperSupervisor® I

"Your employees are not personnel ... they are persons."

SuperSupervisor® II

"Motivating from the inside out."

A WINNER *warts and all*

"A team builder and morale booster."
