

AMERICAN HEMEROCALLIS SOCIETY

Garden Judges Records Chair

Dear AHS Garden Judge:

The AHS Board of Directors wishes to express our appreciation for your services as an AHS Garden Judge during the five-year term, which expires on December 31st. Your willingness to serve has helped the AHS awards system function and continue to be an integral part of our Society. We trust that you have found it a rewarding experience and that you will be able to continue to serve the Society as an AHS Garden Judge for many years.

- ❖ A five-year log sheet is enclosed for recording future garden visits.* Remember to pay your dues each year by January 1; to return your Awards and Honors ballot on time; to attend Garden Judge Workshop 2 as refresher within the last three years of your five-year term; and to notify the Garden Judges Records Chair in the event that you are unable to comply with the criteria. **Please complete and mail this form and your five-year log sheet to your Regional President as soon as possible. Your Regional President will then forward to the Garden Judges Records Chair.** Your log sheet must include at least twenty-five garden visits, with at least fifteen visits in your own region, and ten different gardens among the twenty-five visits listed. Your own garden will not be counted.

Your cooperation and conscientious service are both appreciated and essential to the program.
