from the Florida Association of Postsecondary Schools and Colleges**

TAMPA, FL – Aug. 11, 2011 – Everest University in Tampa has received top honors from the Florida Association of Postsecondary Schools and Colleges (FAPSC), a statewide organization representing more than 200 career-oriented schools.

Christina Stewart of Everest University in Tampa took home the 2011 Gail Benjamin Student Services Administrator of the Year award, which was presented at the FAPSC Annual Conference in August. The award is given out to one recipient each year.

“Christina has the rare talent of understanding the needs of students while going out of her way to encourage and motivate them. She is proactive, innovative and persistent,” said Kathy Mizereck, executive director of FAPSC.

Fourteen annual awards were selected by a panel and handed out during the FAPSC Annual Conference in South Florida attended by more than 460 administrators and faculty members.

The Florida Association of Postsecondary Schools and Colleges (FAPSC) works on behalf of all Florida’s degree granting and non-degree granting career schools and colleges. Licensed by the state, these schools educate and prepare more than 379,000 students each year for employment in more than 200 occupational fields.
