**Ultimate Medical Academy's Linda Weldon takes home top award
from the Florida Association of Postsecondary Schools and Colleges**

TAMPA, FL – Aug. 11, 2011 – Linda Weldon of Ultimate Medical Academy in Tampa has received top honors from the Florida Association of Postsecondary Schools and Colleges (FAPSC), a statewide organization representing more than 200 career-oriented schools.

Weldon was named the 2011 FAPSC Member of the Year at the FAPSC Annual Conference in August. The award is given out to one recipient each year for dedication in furthering education about the career college sector.

“Linda has been instrumental in advocacy at the state and national level and is always working to make a difference in the lives of many,” said Kathy Mizereck, executive director of FAPSC.

Fourteen annual awards were selected by a panel and handed out during the FAPSC Annual Conference in South Florida attended by more than 460 administrators and faculty members.

The Florida Association of Postsecondary Schools and Colleges (FAPSC) works on behalf of all Florida's degree granting and non-degree granting career schools and colleges. Licensed by the state, these schools educate and prepare more than 379,000 students each year for employment in more than 200 occupational fields.
