**Florida Association of Postsecondary Schools and Colleges  
Reinforces Commitment to Careers with Latest Benefit**

*Partnership with LearningExpress, LLC Gives FAPSC Member Schools  
an Additional Resource to Assist Students, Graduates*

**TALLAHASSEE, FL** – March 22, 2012 – The Florida Association of Postsecondary Schools and Colleges (FAPSC) increased its commitment to helping Floridians on their career paths today when it announced a new partnership to provide online career guidance and job search support.

Through the new partnership with LearningExpress, LLC, students at FAPSC member schools will have access to Job & Career Accelerator, Computer Skills and the LearningExpress Library, which are resources to assist with career placement. The three online resources will be available to students through their school websites and will help them prepare for a job search, hone computer skills and improve workplace skills.

“This free member benefit provides additional options for schools to use to assist students and graduates with career placement,” said Kathy Mizereck, FAPSC executive director. “This effort is part of the ongoing commitment to the mission of our institutions – helping Floridians improve their lives through career-focused higher education.”

“We are excited to work with FAPSC to provide our online resources to such a large group of career-minded students,” said Barry Lippman, president and CEO of LearningExpress, LLC.

**About FAPSC**

*The Florida Association of Postsecondary Schools and Colleges works on behalf of Florida’s 360 degree granting and 550 non-degree granting career schools and colleges. Licensed by the state, these schools educate and prepare over 379,000 students each year for employment in more than 200 occupational fields.
