MEMORANDUM

TO: Interested Parties
FROM: Carol Moneymaker
DATE: December 16, 2008
SUBJECT: In Remembrance - Richard Luebke Sr.

It is with deep regret that I report Richard (Dick) Luebke, Sr. passed away on Saturday, December 13, 2008. Dick, former president and founder of Pima Medical Institute, served the ABHES Commission diligently for many years, most recently in 2004 as an elected commissioner. He resigned his position due to health issues and was replaced by his son Mark, who served as ABHES Chair last year. At the 2005 National Conference on Allied Health Education in Las Vegas, Dick was awarded the Recognition of Excellence Award which was presented by his son Dick Jr., with family members in attendance to cheer him on.

Dick will be remembered as a kind and honest man, whose love of family was most evident and his love for the private school industry, with its ability to train for tomorrow's future, coming a close second. I know you will keep Dick and his family in your thoughts and prayers. The ABHES family will miss him terribly.

Services will be held on Saturday, December 20, in Tucson, Arizona.
