

**Video Poster Session
1st Annual Southeast Brownfields Conference
October 28—31, 2014
Rosen Plaza Hotel
9700 International Drive
Orlando, FL**

Thank you for your interest in supporting the 2014 First Annual Southeast Brownfields Conference Video Contest.

Please submit a video clip(s) of up to 3 minutes in length with narration of a successful Brownfields project that would provide a great story of success and partnership. The following guidelines should be observed:

Background information about the project including location, acreage and historic use.

Describe the environmental issues that were encountered.

If remediation was required, please describe.

How long did the project take from start to finish?

You may include in your introductions and end credits the names and companies of all involved. The majority of the video needs to be project and content driven and should be presented as an advertisement for team members. (Video advertisements will not be accepted).

Submittals must be received on or before September 30th 2014.

Upload your video, along with contact information in either a MP4 or WMV (max size of 30MB) file format and send to <https://floridabrownfields.site-ym.com/?SpeakerUpload>

Please direct any questions or submit your video clips to Aaron S. Ben David (aaron.bendavid@testamericainc.com) and George Morrison (gmorr4u@yahoo.com).
