FPIN Community Bulletin
August 2015

Good Evening <<First Name>>,

We have received many questions lately regarding how to document your HDAs in your WebADS, so we thought we would share the answer with all of our members! With the latest annual administrative update, there is now a clear spot on the faculty form to list your publications in the 3rd box:

“Number of other presentations given (grand rounds, invited professorships), materials developed (such as computer-based modules), or work presented in non-peer review publications in the previous academic year. **Articles without PMIDs should be counted in this section. This will include publications which are peer reviewed, but not recognized by the National Library of Medicine.**"
If you have any additional questions about documenting your FPIN work, please email us at membership@fpin.org or call 913-296-7062.

**Keeping up with FPIN’s EMS!**

The Editorial Management System successfully launched this past summer for our HelpDesk Answers writing project! Here are some things to know about the system this month.

**EMS invitations:**

- Receiving invites
  - All HDA Faculty Corresponding Authors who sign up for questions after July 1, 2015 will receive an invitation to author the question from the EMS within 2 business days of signing up for the question. If you did not receive an invitation, please remember to check your Junk or Spam Mail folder as invitations have made their way in there.

If you still did not receive an invite, please contact Adelina Colbert at 573-256-2066 or via email at Adelina@fpin.org.

- Unavailable dates
  - Registered EMS users who are also peer reviewers will be able to login into their respective accounts and update personal information with your availability.

To do so, login into your account and click ‘Update My Information’. At the very bottom of the page, click ‘Unavailable Dates’. Then, enter in the dates you are unavailable to peer review for FPIN with an optional brief reason why and click ‘Submit’.

  - Once you have done so, you will not be invited to peer review any HDA drafts over the dates you that you are unavailable!

**For HDA Faculty Corresponding Authors, always remember to…**

- Submit your Author Disclosure form when you are submitting your first drafts. The form must be filled out by the corresponding author and any additional co-authors and be saved as one PDF copy. You can obtain a copy of the form here.
• Only submit first drafts as **Microsoft Office Word Documents**. References and tables can be in the form of a PDF or an Excel file.
• Respond to your invitation within **10 days**! If you did not respond but would still like to author the question, please contact Adelina Colbert via email or at 573-256-2066.
