

Who Are GMIS Members?

GMIS International is 407 Members strong with representation in 33 states throughout the United States. The combined annual technology budgets of GMIS Members exceed \$400 million. GMIS includes 15 State Chapters. GMIS provides a unique opportunity for Industry Partners to reach key IT decision makers across the United States and stay engaged with GMIS members for many years. We'll hope you'll consider becoming a GMIS Industry Partner.

GMIS Members represent a wide spectrum of government organizations.

GMIS International Members find value in the relationship they build with other GMIS members and with our Industry Partners. GMIS has 88 members who have been active since the 1990's and over 300 who have been active since 2000.
