To Whom It May Concern:

The Guitar Foundation of America is pleased to offer many high quality educational experiences for the guitar educator's professional development. Please list the title, page number, and hours from the GFA Convention program book of the lectures, technique workshops, round tables, and concerts attended at the 2017 Guitar Foundation of America Convention at CSU Fullerton. It is recommended that the teacher provide a GFA Convention program book to their administration to give descriptions of the convention and the events attended.
