

Please visit our new site - <http://hmgs.site-ym.com/>

This is the new HMGS online community. Because of built-in security features, you must first log in before accessing many site sections. Some areas are restricted to paid HMGS, Inc. Members only. If you do not have a profile on the site yet, please register at **Create an Account**- we'd love you to be part of our online community.

If you are an HMGS, Inc. Member and are not sure of your user credentials please use the **Contact** form to request assistance. DO NOT CREATE A NEW ACCOUNT - it will not be linked to your paid membership and you will not have access to member benefits or pricing.

If you are a member of an affiliated HMGS organization and you are not sure of your user credentials or do not have user credentials, please use the **Contact** form to request assistance.

If you are not a member, you may join or create a guest account using the **Create an Account** feature first and then you may register for the convention.

You may request a password reset through the system provided you have your user name. Reset instructions will be sent to the email on file in your profile. If you no longer have access to that email or you do not know your user name, please use the **Contact** form to request assistance.

**All requests for assistance will be responded to as soon as possible.
Please note our volunteers may require 24 hours to process your request.**
