ICBS 2018

Join the world's top chemical biologists in Vancouver, Canada, for four days of presentations and discussions on cutting-edge topics pertaining to chemical biology. Spaces are available for exhibitors promoting their reagents, software, instrumentation or journals.

ICBS2018 will build on the traditions established by six previous successful ICBS annual meetings in Boston, Kyoto, San Francisco, Berlin, Madison, and Shanghai. Registrants from academia, nonprofit, government and industry will present research in oral presentations and posters. ICBS2018 will create a vibrant forum for the exchange of information on the latest advances in chemical biology and progress toward translation of these findings in several important therapeutic areas and present updates on national/ regional initiatives in chemical biology across the globe.

Sponsor or Exhibit at ICBS2018

As a sponsor or exhibitor of the ICBS2018 7th Annual Conference you will benefit from excellent exposure and acknowledgment through ads, signs, website links and conference admission, depending on your package. Get your products and services in front of this growing audience of experts, directly support the research goals and education of chemical biologists worldwide, and build valuable contacts.

Researchers need your cutting-edge tools and services to realize their potential in the lab. Meet face-to-face with the experts in chemical biology and make sure they know how you can help realize that potential.
