

WANTED

A **dynamic speaker** and recipient for the

ITAA

Janet Else Visiting Scholar or Practitioner Award 2018

Nominations by Friday 27 April, 2018

Please search your minds, your contacts, and your networks to nominate a great speaker for the ITAA Conference in November 2018.

Please note that the criteria for the Award have changed this year, likewise the contents of the Award.

We need someone from a country that is under-represented at ITAA. Ideally, this is someone who can only attend the conference with this award and who will, in return, bring fresh ideas and knowledge to ITAA.

The Award includes:

- A \$1500 cash award (to be used for travel) to be presented at the Conference
- Conference registration fee waiver
- Up to 4 nights of hotel stay at the conference

Please contact Gill Stark (starkg@regents.ac.uk) or Ruirui Zhang (rzhang@framingham.edu) if you have any questions.
