

# Registration Presentation 2018-2019

# Dates of Registration

- Registration will open for everyone February 12<sup>th</sup> at 4:00 PM
- Registration will close February 16<sup>th</sup> at 11:59 PM.

# 4 Year Plan

- It all starts here...
- Each of you will work on your 4 year plan
- Take time to look through the course guide
  - Available on the website: [Academics/Curriculum/Course Descriptions](#)
- Make sure you have all requirements met or lined up for the future
- Talk to your teachers if you have questions about specific courses or recommendations.
- Talk to your parents/guardians about your choices and plans

# Schedule & Drop/Add

- Over the summer you will be e-mailed a list of your courses, once received you will have two weeks to e-mail Mr. Nahm with any questions and concerns regarding your schedule.
- Each family will receive a SchoolMessenger call from Mrs. Lovette letting them know that the schedule has been sent and is ready for review.

# Class Registration Process

- You may access the class registration choices on the main page in PowerSchool.
- Use the Class Registration page in PowerSchool to request classes for the next year and to view any existing course recommendations.

# Transfer Students

- If you transferred to Incarnate Word Academy from another high school at any time you will register at school with Mr. Huber & Mr. Nahm the week of February 12<sup>th</sup> through the 16<sup>th</sup> during homeroom.
- You will be notified by email of your time slot.

# Recommendations

- Each student has been recommended for classes.
- The recommendations are the courses you should take next year.
- You may decide with your parents to go from an Honors class to a B class
- You may not register for an Honors class if you have been recommended for a B class.

# How to Register for Classes

- On the main menu, click Class Registration which is found on the menu on the left.
- To begin registering:
  - –Click the **Pencil in each subject section.**
  - A Red Exclamation Point shows a required subject.
  - A Green Check Mark shows subjects that can be chosen but are not required.
    - From the Pop-up Menu, select the course(s) that you want to request.

# How to Register- Cont.

- **In some subjects students may be recommended for a particular course by the teacher. Those recommendations appear on the right in the Pop Up boxes. Students may choose to follow the teacher course recommendation or register for another course. However, a student may not register for a course that has an Honors, AP, or ACP designation without a teacher recommendation.**
  - Once you have selected the course(s) in each subject area, click **Okay**.
  - Check the bottom right hand section of the screen. This is where you will find the total number of credits you have entered. If the total number of credits is over the recommended amount, please check your course selections to make sure that you did not over-select your number of courses.
  - If you have checked the number of courses and you are still over the recommended amount and you believe it to be correct, please see the Guidance Counselor for approval to be over the recommended amount of credits.
- After you have selected all courses, click **Submit**.

# Alternate Choices of Electives

- Alternate course selections are now optional
- If your first choice cannot be scheduled, you will be scheduled in your alternate choice.
- Be sure to sign up for classes you want to take because you may receive the alternate choice.
- The alternate choice **should not** be the same as your first choice.
- If a class does not have enough students registered, the class may not run. In this case the students will receive an alternate.
- Also, if a class is oversubscribed, Seniors will get priority, then Juniors, then Sophomores

# Dates of Registration

- Registration will open for everyone February 12<sup>th</sup> at 4:00 PM
- Registration will close February 16<sup>th</sup> at 11:59 PM.

## Grade 12 Theology S1

<input checked="" type="checkbox"/>	Course Name	Number	Course Description	Credits	Prerequisite Note	Alerts
<input type="checkbox"/>	CONT CU & REL	451		0.5		
<input type="checkbox"/>	SACRED SCRIPTURE	440	The purpose of this course is to give an overview of Sacred Scripture with an introduction to the basic principles for understanding and interpreting the Bible. Every effort is made to project a sense of the unity of the narrative for the divine plan of salvation, the presence of God's action in this record of his Revelation, and his desire to share his merciful love with us. Structure: The student will learn through: LAPS, films, media analysis, projects, lecture/discussion.	0.5		
<input type="checkbox"/>	WRLD RELIGIONS ACP	444	The purpose of this course is to help the students understand the manner in which the Catholic Church relates to non-Catholic Christians as well as to other religions of the world. Building on the foundational truth that Jesus Christ established the Catholic Church and entrusted to her the fullness of God's Revelation, the course is intended to help students to recognize the ways in which important spiritual truths can also be found in non-Catholic Christian churches as well as in non-Christian religions. It is also intended to help them to recognize the ways in which other systems of belief and practice differ from the Catholic faith. Structure: Students learn through: LAPS, lecture discussion, presentations using technology, and projects.	0.5

## Grade 12 English Sem 2

	Course Name	Number	Course Description	Credits	 Prerequisite Note	Alerts
<input type="checkbox"/>	COMPSTN 4	1412	This course briefly reviews basic skills, including the writing process, needed to write well-developed, organized essays. It primarily consists of an in-depth study of writing a variety of expository essays, which the student will be expected to know how to write in college. Structure: Students are encouraged to conference with the teacher about each essay.	0.5		
<input type="checkbox"/>	CREATV WRITE	1512	This course will explore the art of creative writing through all its aspects, from inspiration and audience to language and (especially) revision. By studying the work of published authors, students will examine the various techniques with which writers can effectively communicate their objectives. Focusing on poetry and short fiction, the student will be expected to develop a portfolio of original work which combines the techniques learned in class with her own individual style. Additionally, students will be required to write academic essays. An essential component of the course is the student's participation in the course's annual Poetry Reading. Structure: The course will be structured primarily as a workshop in order to utilize the advantages of audience response. Students will distribute their creations to classmates for responses, suggestions, and constructive criticism. Prerequisites: Department Approval and submission of a piece of original work. For ACP credit: 3.0 CUM GPA and an 85% or better in English courses.	0.5	Must sign up for Creative Writing Lab as well.	Recommended  Patrick Jennewein

### Grade 12 Theology S1

#### SACRED SCRIPTURE

440 - 0.5 credits

The purpose of this course is to give an overview of Sacred Scripture with an introduction to the basic principles for understanding and interpreting the Bible. Every effort is made to project a sense of the presence of God's action in this record of his Revelation, and his desire to share his merciful love with us. Structure: The student will learn through: LAPS, films, media analysis, projects, lecture/discussion.

### Grade 12 Theology S2

#### VOCATIONS

443 - 0.5 credits

The purpose of this course is to help students to understand the vocations of life: how Christ calls us to live. In this course, all vocations are similar and how they differ. The course should be structured around life. Students should learn what it means to live life for the benefit of others and the value in considering a vocation in service to the Christian community. Structure: The student learns through LAP work, Q technology, reflection, and lecture/explanation.

### Grade 12 English Sem 1

#### HN WR LIT ACP

1451 - 0.5 credits

Same as World Literature and additional novels, plays, short stories, and poetry. Structure: Consistent participation in class discussion is essential. Prerequisites: Department Approval, a 3.0 CUM GPA and

# New Courses for 18-19

**IF YOU HAVE ANY QUESTIONS ABOUT  
ANYTHING YOU SEE PLEASE TALK TO A  
TEACHER IN THE DEPARTMENT OF THE  
CLASS YOU ARE CURIOUS ABOUT.**

# Theology

## **Christ & Culture**

- Open to seniors, both semesters
- Analyzes current trends in society through a Christian lens, including the following:
  - U.S. culture (including social media, pop. culture, music, and television/Netflix)
  - Suffering and death
  - Spirituality and prayer in everyday life

# Theology

## **Introduction to Philosophy ACP**

- Open to seniors who meet ACP requirements
- Second semester
- General introduction to the art of a philosophical argument and the primary figures in Western philosophy. Questions that will be explored include:
  - Do you really exist? Is there an objective good and objective evil?
  - How can we know or disprove the existence of God?
  - What is free will? To what extent are humans really free?
- Class will rely upon classic texts and contemporary films
- Students can earn college credit through SLU

# Math

## **Probability and Statistics – Full Year class**

- The course will cover basic concepts and methods in probability and statistics. Topics include descriptive statistics, probabilities of events, random variables and their distributions, sampling distributions, estimation of population parameters, confidence intervals and hypothesis testing for population means and population proportions, chi-square tests.

# Social Studies

## **AP World History**

- Open to: Sophomores
- The AP World History course focuses on developing students' understanding of world history from approximately 8000 BCE to the present. The course has students investigate the content of world history for significant events, individuals, developments, and processes in six historical periods, and develop and use the same thinking skills and methods employed by historians when they study the past.
- Expectations:
  - Read and take notes from a college-level textbook
  - Complete multiple essays based on primary and secondary sources
  - Conclude with a college-level assessment developed and scored by college and university faculty as well as experienced AP teachers.

# Science

## **Honors Anatomy & Physiology**

- Open to Juniors and Seniors
- Honors Anatomy is an advanced version of the standard Anatomy course. It will be faster pace, more rigorous and with a greater breadth and depth of content. The course will include additional lab work, readings and practical format summative assessments.

# Business Education

## **Media Applications 2**

- This course will build on the information acquired from Media Applications 1. Students will continue to learn new skills in Adobe InDesign, Adobe Illustrator, and Adobe Photoshop. Students will use this information and skills to design and create products for Incarnate Word Academy.
- Prerequisite: Media Applications 1

# Fine Arts/Music

## **Beginning Band**

- Open to everyone
- Students to learn a traditional band instrument. (Flute, trumpet, clarinet, etc.)
- Students must provide their own instrument, but Mrs. Moramarco should be able to help you find one if needed.
- Full Year course

# Fine Arts/Music

## **Beginning Strings**

- Open to everyone
- Students to learn a traditional orchestra instrument. (violin, viola, cello, or bass)
- Students must provide their own instrument, but Mrs. Moramarco should be able to help you find one if needed
- Full Year course

# Fine Arts/Music

## **Piano**

- Open to everyone
- Now you may take this course up to two times
- Semester long
- For students who want to learn Piano regardless of previous experience.

# Fine Arts/Music

## **Guitar II**

- Open to everyone who has taken Beginning Guitar or by audition
- One semester
- Students need to provide their own instrument
- For students who want to continue their guitar experience.

# Fine Arts/Physical Education

## **Broadway Dance**

- Open to everyone
- Students learn the basic techniques of various styles of dance such as jazz and ballet. **No prior experience is required.** Students will explore movement and performance by studying several famous Broadway musicals such as *Footloose*, *Dreamgirls*, *Chicago*, and *Hairspray*. Class content will include warm-up exercises, traveling combinations and choreographed routines. **Jazz shoes must be purchased for this course.**

# Physical Education

## **Strength Training**

- Open to Juniors and Seniors
- May be taken up to 2 times
- Students work to improve their total body condition and strength through weight training. Each student's current levels of strength are assessed, and progress is measured throughout the semester. Goal-setting and full-body workout design are key components of this course.

# Fine Arts/Art

## **Drawing ACP**

- Open to anyone who has completed Intro to Art
- Student will experience drawing techniques (composition, light, and shadow) for pencil, charcoal, ink, and colored pencil. Students will work from life and reference images.
- Now available for College Credit!

# Fine Arts/Art

## **Painting ACP**

- Open to everyone who has completed Drawing
- Painting introduces the students to the materials and techniques of watercolor, acrylic and oil painting.
- Now available for College Credit!

# Fine Arts/Art

## **Ceramics (Hand Building) ACP**

- Open to everyone who has completed Intro to Art
- This course introduces knowledge and techniques of working with clay. Students will experience hand building while producing functional and/or sculptural 3-dimensional art.
- A wheel throwing LAP will also be included
- Now available for College Credit!

# Fine Arts/Art

## **Ceramics II (Hand Building) ACP**

- Open to everyone who has completed Ceramics
- This course continues to expand knowledge and techniques of working with clay. Students will experience hand building while producing functional and/or sculptural 3-dimensional art.
- A wheel throwing LAP will also be included
- Larger pieces will be created!
- Now available for College Credit!

# New Courses- Fine Arts

## **Digital Photography ACP**

- Open to everyone who has taken Intro to Art
- Learn how to use your own digital camera.
- You should be able to change the cameras lenses (please direct all questions to Mr. Sullivan).

# New Courses- Electives

## **Honors Leadership in Action ACP**

- Open to Seniors
- Fall semester only
- Leadership in Action answers the question, “What can you do for your community and Incarnate Word Academy?” In this course, student-leaders will explore complex leadership principles, design and workshop lessons with your classmates, and push into grade schools in the St. Louis area once a cycle with student-leaders from CBC. The course is offered for college credit through Drury University.

# Summer Selections
