

COMMITTEE MEMBER

Quick Reference Guide

ROLE

Actively participates in the work of the committee; provides thoughtful input to the deliberations of the committee. Focuses on the best interest of the Section, Association, and the committee rather than on personal or constituent interests and works toward fulfilling the Section's and committee's goals. Reports to the committee chair.

Responsibilities:

1. Committee members shall be members of AWWA or the specifically designated representative of utility or service provider members. In the case of joint committees with the KY-TN WEA, the committee member must be a member of either AWWA or WEF/WEA.
2. Assist the committee in developing products and services that are of value to Section members.
3. Attend and actively participate in committee meetings and support the consensus building process.
4. Review relevant material before committee meetings. Make contributions and voice objective opinions on issues.
5. Carry out individual assignments made by the committee chair.
6. Committee membership will be reviewed and nonproductive members will be replaced at the discretion of the committee chair.
