ATTENTION VETERINARY PRACTICE OWNERS

Have you heard about the Rainbow Bridge Token Program?

Through this initiative, one can purchase a special Final Gift token, which doubles as a pet loss keepsake, and a donation is made to the MVMA Charities, Inc.

In day-to-day practice this means a small fee is added to the cost of cremation and a portion of every fee goes to the MVMACI. The clients receive a special pocket memento in memory of their deceased pet.

The MVMA Charities, Inc. appreciates this ongoing charitable contribution. Learn more about how the MVMACI is helping animals in Massachusetts.

If you have any questions or wish to participate in this program, please contact Keith Ducharme at keith.ducharme@finalgift.com or at 401-464-8338.
