

Institutional Membership Guidelines

Do you qualify?

- **Institutional/Organizational Membership** shall be open to: Educational institutions interested in emergency medical services; Educational organizations interested in emergency medical services; Emergency Medical Service provider organizations services.
- **Institution/Organization Defined**
Any institution/organization (hospitals or departments therein, fire departments or stations therein, colleges and universities or departments therein, private ambulance companies or divisions therein, associations or divisions therein, etc.) founded and united for a specific purpose or the promotion of a common cause. Each institution/organization must be recognized by its parent institution/organization/center/agency/etc. as a division, department, or section thereof and provide proof of this recognition. Proof may be submitted in the form of letter on company letterhead from the respective department chair, battalion chief, division general manager, etc.
- **Institutional Membership Discounts**

Institutional memberships will have a minimum of 5 members and will be given a 10% discount from the cost of an electronic membership multiplied by the number of members within the institution. All institutional members must submit individual membership applications and payment shall come from the institution. Electronic membership for NAEMSE is currently \$90 per membership.
