------	------------	-------------	----------	-------------	----------	------------------	-------------	----------

**NAGGL Gets It.** Since 1984, NAGGL has served the government guaranteed lending community, empowering members while meeting their multiple needs. NAGGL's accurate and credible training and events, expansive network of members and partners, accessible technical experts, and voice on Capitol Hill give members the keys to success in an ever-changing industry.

[Fact Sheet on FY 2016 Budget for SBA >](#)

[New Servicing & Liquidation Matrix Available >](#) Within the new Matrix is a policy change to be aware of found in Footnote 2: "After the loan is disbursed, on a variable rate loan the lender may change the base rate or the spread over the base rate, on a fixed rate loan the lender may change the rate, and the lender may also change the Note from a fixed rate to a variable rate or from a variable rate to a fixed rate, provided the new interest rate does not exceed the maximum allowable interest rate at the time of loan application."

Click to choose the categories your company will be included in the Service Provider Search. As well as update your contact information

As the Member of Record you will manage your company roster with a click of the mouse

Pay membership dues online ... you will be automatically reminded when your expiration date approaches and sent an email with a link for payment

## Edit My Member Profile

Below is the information you provided during the registration process.

**Please Note:** All information entered below will be visible to site administrators. Registered members will be able to view any information you enter, unless you set the visibility selector to **Private (not visible in profile)** next to the field you wish to be hidden. If your email address is **Private (not visible in profile)** it will not be displayed, but members can still contact you via email through the site's group email system if permitted by the group administrator. For a publicly accessible member type, site visitors will be able to view any field whose visibility is set as **Public (Visible to Everyone)**. To restrict fields to only registered members set the visibility for the field to **Member Only (Visible Only to Members)**.
