MANAGED MEDICAID IN NEW JERSEY:

THE PROGRAM, QUESTIONS
AND ANSWERS FROM STATE
REPRESENTATIVES

PRESENTATION

Those of you who attended the August CEU program on the Affordable Care Act asked for a meeting with state representatives on the Managed Medicaid Program in NJ. Thanks to one of the NJAHCSW members who helped set up this program.

EDUCATIONAL OBJECTIVES:

1. Discuss the integration of medical and behavioral health care.
2. Give an overview of the current Medicaid/NJ Family Care Managed Care system
3. Discuss the Managed Long Term Services and Supports (MLTSS) program that has been launched on July 1, 2014 and provides its members with integrated physical, behavioral and long-term care services
4. **Submit your questions to LKwiatek@naswnj.org ahead of time.**

Speaker(s) will be Representatives from Office of Managed Health Care, Department of Human Services NJ Division of Medical Assistance and Health Services
