

ASSISTANT/ASSOCIATE PROFESSOR: SOCIAL WORK---YORK COLLEGE/CUNY

York College, a senior college of the City University of New York (CUNY) and located in Queens, NY, the most ethnically diverse county in the nation, invites applications for full-time, tenure-track faculty positions at the Assistant or Associate Professor rank for the new Master of Social Work (MSW) program—the first graduate Social Work program in Queens. With the launch of the MSW program in August 2018, curriculum will follow the requirements for professional accreditation by the Council on Social Work Education (CSWE) and for licensure in New York State with the Licensed Master Social Worker (LMSW) and Licensed Clinical Social Worker. The Ph.D. degree in area(s) of experience or equivalent is required for all professorial titles.

The successful candidate will teach across the Baccalaureate-Graduate curriculum with primary emphasis on MSW courses, the ability to teach one or more core areas including human behavior, policy, community organizing, research methods, and/or health, and will help to develop curricula consistent with NYS Licensing and CSWE educational standards.
