

NASW-NYC PACE Fall 2017 Endorsements

NASW-NYC Members:

The Political Action for Candidate Election (PACE) Committee endorses candidates for political office who can best represent the interest of our profession and who will support our legislative agenda. PACE then may support those endorsed candidates through financial contribution, which is made possible by your contributions to PACE.

As social workers we are driven by our ethical and professional commitment to social justice. During these tumultuous times, exercising our right and our duty to vote is one way in which we fulfill on this commitment. We strongly urge you to vote with us in next month's primary and to organize constituents to the polls! We will be circulating opportunities for you as members to help get out the vote. The following is a list of PACE endorsed officials as of August 2017. We look forward to seeing you out there with us!

In Solidarity,

The PACE Steering Committee
