

# **Current Social Work Job listings in SC:**

**June 26, 2017**

The Stress Management Center is seeking a LISW to serve full time as a psychotherapist as well as be a clinical partner in our private practice. The Stress Management Center is a thriving private practice located in Anderson, SC. We are fortunate to be located in a beautiful home on a quiet wooded property among lush greenery; yet easily accessible and centrally located to serve clients from all over the upstate. We believe in providing psychotherapy, educational programs, and integrative modalities to serve our clients of all ages. We have a serene yoga and meditation center onsite where groups and classes are held daily. Currently, we have three clinical partners and five contract clinicians. We are offering the opportunity for a LISW to be a partner in our LLC/S-Corp as one of our partners moves toward retirement. The buy in amount and start date would be negotiated with much consideration of the qualified future partner's needs. This is a wonderful opportunity to create your own practice in a beautiful setting fully supported by our office staff and fellow clinicians. Serious inquires please email a statement of interest, vitae/resume, and three professional references by August 15, 2017 to: [SuzetteGuest73@gmail.com](mailto:SuzetteGuest73@gmail.com)

Please peruse our website for a more generous perspective of our practice:

**Immediate Opening Assistant Director of Substance Abuse Prevention & Education  
Department of Student Life, Student Affairs & Academic Support**

**The University of South Carolina's Department of Student Life is seeking a highly motivated, energetic, dedicated and committed individual to serve as the Assistant Director of Substance Abuse Prevention & Education.**

**Duties and Responsibilities:** This position oversees the coordination for the brief motivational interviewing intervention program (BASICS) and manages the data assessment and evaluation efforts for the office.

The assistant director recruits, trains and supervises STIR coaches who conduct the individual interventions with students who have been referred to the program due to high-risk behavior or hospitalization. The assistant director monitors and evaluates prevention and intervention service delivery which includes the scheduling of appointments, providing the training and

support to the staff, and evaluating the effectiveness of the program and its impact on student behavior.

The assistant director maintains a case load of student clients sanctioned to the program, in addition to the overall coordination of the program and serves as a liaison to campus and community offices in order to effectively address high-risk student behavior and identify students of concern. The assistant director reports to the Substance Abuse Prevention and Education director and supervises the STIR coaches.

**Qualifications:** ☐ Master's degree in student personnel services, social work or related field and 4 years related experience; or bachelor's degree and 6 years of related experience is required. ☐ Knowledge of alcohol and other drug prevention theory, current research, and assessment practices is required. ☐ Experience in higher education setting or with young adults is preferred. ☐ Experience using motivational interviewing strategies, brief screening and intervention, and/or BASICS is preferred.

**Application process:** Visit <https://uscjobs.sc.edu> to complete required state application, and upload cover letter, resume and at least three professional references. One reference must be a past or current supervisor. Search for requisition # 011673
