Richland Library invites individuals qualified to provide the services of a Master's Degree Level Social Worker. The intent of the contract is to obtain expert services provided by the selected individual who will work to mitigate barriers to employment and stability for adults experiencing homelessness, at high risk of homelessness or underemployed. This is a grant-funded contract with a possible multi-year funding opportunity. The grant includes an educational benefit of paying class fees for the selected candidate to obtain their Career Development Facilitator Certification and to attend a Human Services Case Management class, a nearly \$2,000 investment into the candidate's future.

The selected candidate will demonstrate the ability and desire to be a champion dedicated to advocate and empower this particular clientele by delivering high level, in-depth case management and evaluation, facilitate career and educational assessments, implement time-phased care plans and resource navigation services. Charity Tracker and HMIS databases will be used as the platforms for intensive case management, progress monitoring and evaluation, and resource navigation.

The selected champion will provide evidence of key competencies, knowledge, characteristics and experienced qualifications that include:

- Adhering to social work case management principles and procedures
- Exemplifying compassionate care for people experiencing homelessness.
- Being familiar with Charity Tracker and HMIS databases and data reporting.
- Having demonstrated experience and understanding of housing and employment barriers for this clientele.
- Proven success creating relationships with community partners and developing programs.

The selected champion will work to achieve the following Project Success Goals and Indicators:

1. 50% of participants will increase stable housing:

- Individuals make progress on care plans
- Individuals are provided shelter (emergency shelter/motel vouchers/homeless prevention).

2. 40% of participants will increase their income or assets;

- Individuals increase or access new benefits.
- Individuals increase income through employment.
- Tax returns are completed

3. 85% of participants will report an increase in their level of hope and/or confidence.

This solicitation is an RFP for a contractual relationship. The person selected will not be a library employee.

This contract will conclude June 30, 2018. This grant has a multi-year funding possibility. The 8-month contract will pay up to \$20,064, working no more than 57 hours bi-weekly (28.5 hours weekly) at a rate of \$22 per hour.
