

DANE BEDINGER

Dane Bedinger has more than a decade of experience in the equipment rental industry. He is the shoring product director for BakerCorp in La Porte, Texas. BakerCorp is an industry leader in temporary containment tanks, pump filtration and shoring equipment rental solutions for a wide range of industries, including oil and gas, refining, pipeline, environmental remediation and construction. The company has operations in the United States, Canada and Europe.

Bedinger worked for Casco Hauling and Excavating for seven years prior to BakerCorp. He is a member of numerous associations, including the Associated Builders & Contractors, the Associated General Contractors, the Houston Pipeliners Association and the Houston Contractors Association.

He received a bachelor of science degree in biology from Texas Tech University and a master of finance degree from Tulane University.
