

## **DENNIS SPENCER**

**Dennis I. Spencer is the chairman of Trench Shoring Services, which has nationwide locations. As the company's slogan says, "playing in the dirt since 1972," Spencer has spent more than four decades as the owner of Trench Shoring Services.**

**Specializing only in trench shoring, the company offers more than 40 different sizes and strength ratings of trench shields in its standard rental inventories located in regional distribution centers throughout the country. Trench Shoring Services' inventory includes thousands of individual trench boxes, as well as aluminum shields, H beams, road plates, shoring plates, bridge panels, manhole options, pipe plugs and more.**

**Spencer is a member of the National Utility Contractors Association, the Association of Equipment Manufacturers, the Technical Standards & Safety Authority and the Associated General Contractors of America. He received a bachelor of science degree in civil engineering from New Mexico State University in Las Cruces, N.M.**
