

ROBERT (BOB) PITTS

Robert (Bob) Pitts is the chief executive officer of Pacific Shoring, LLC. In Santa Rosa, Calif. Founded in 2005, Pacific Shoring is one of America's leading manufacturers of underground and trench shoring assemblies and safety equipment and supply dealers across the U.S. and abroad. The company designs, builds and tests all of its products at its manufacturing plant in Santa Rosa. With an in-house design team that has vast experience in the underground shoring industry, Pacific Shoring produces the ideal custom assembly solutions for its customers.

Prior to Pacific Shoring, Pitts worked for Pacific Trench Safety (1988-99) and owned R.G. Pitts Inc, a general engineering company (1966-89).

He studied accounting at San Jose State University in San Jose, Calif.
