

## **RON WEY**

**Ron Wey, who is the vice president of Pro-Tec Equipment, a division of Trinity Shoring Products, began working with the company in 1995. Pro-Tec Equipment provides dealers and contractors with an extensive inventory of trench shielding and shoring products for purchase or rent and has been a leading, innovative producer and distributor of these products for nearly two decades.**

**In the construction equipment industry since 1980, Wey previously worked at Efficiency Production and Aaro Rentals (construction equipment).**

**Wey is a member of the Caterpillars Allied Vendors Advisory Team, the Michigan Infrastructure and Transportation Association and the Lansing Builders Exchange. He is a past master instructor for the National Utility and Contractor Association.**
