

Course Charts by Day

Your courses are the center of your Summer School program experience!

"I thought the number of training opportunities was very helpful. I appreciated the number of different presentations I was able to attend and the variety of the trainings. It was really a lot of material presented in 4 days. Great value for the cost. I felt like I walked away with a lot of information."

– Previous Summer School Participant

The following pages contain a list of courses offered each day at the 2017 New England School of Addiction and Prevention Studies. Courses have been assigned into special focus areas that may be of interest to people who are working in a particular discipline, or for those who wish to focus on a certain content area/track during their time at the program. Most people take one different course each day, but a small number of intensive courses meet for two, three, or four days. Multi-day courses are noted in their title and description.

Schedule: Courses meet during the day or days indicated after the course number:

M = Monday Afternoon (June 5 from 2:30 p.m. – 5:30 p.m.)

T = Tuesday (June 6 from 8:30 a.m. – 3:45 p.m.)

W = Wednesday (June 7 from 10:00 a.m. – 5:15 p.m.)

Th = Thursday (June 8 from 10:00 a.m. – 4:30 p.m.)

For example, a course numbered 121.M is a one-day course that meets Monday afternoon, while a course numbered 223.T is a one-day course that meets on Tuesday. A course numbered 241.T.W is a two-day course that meets on Tuesday and Wednesday. A course numbered 191.M.T.W.Th is a four-day course that meets on Monday, Tuesday, Wednesday, and Thursday.

A very small number of multi-day courses begin on Monday morning. If a course meets Monday morning, that information is noted with the course's description.

Once you have identified the courses that most interest you, it is important to spend some time reviewing the course description document. Descriptions provide an overview, learning objectives, and suggested target audience and content level. Course Descriptions may be downloaded or viewed at <http://www.neias.org>. Under the "Summer School" menu, look for the "Course Descriptions" link.

You will select one course and one backup course for each day. A backup choice is important because occasionally a course fills or has to be cancelled due to circumstances beyond our control. **If you select a multi-day course, you will attend that course for each day that it meets.**

After you have selected your course for each day AND a backup course selection for each day, register for the Summer School at <http://www.neias.org>. Under the "Summer School" menu, look for the "Registration" link.

Monday Courses

Focus Area	Course #	Course Title
Effective Treatment for the Adolescent Population	481.M.T	Youth Treatment in Practice: A Community & Motivational Approach (Monday - Tuesday)
	421.M	Adolescent Community Reinforcement Approach (A-CRA) Exposure Training
Working with the Criminal Justice Involved Population	431.M	Introduction to Drug Courts
Compulsive Gambling Training Institute	490.M.T.W.Th	Compulsive Gambling Training Institute (Monday – Thursday) <i>* Also meets Monday morning</i>
Fundamentals of Substance Use Disorders	441.M	Etiology and Epidemiology of Addiction
Clinical Skills in Client Centered Integrated Care	451.M	Screening, Brief Intervention, and Referral to Treatment (SBIRT)
Effective Treatment of Substance Use Disorders	452.M	Ethics and Liabilities in Substance Use Disorder Treatment
	453.M	Technology Assisted Treatment of Substance Use Disorders
	454.M	Enhancing Treatment Outcomes by Promoting Motivational Incentives (PAMI)
	455.M	Retooling Treatment Practices for Longterm Wellness
	483.M.T	The 12 Core Functions of Addiction Counseling (Monday - Tuesday)
	456.M	Pharmacotherapy in the Treatment of Substance Use Disorders
Integrated Behavioral Health Services	457.M	Group Consultations – Developmental Perspectives and Intervention Strategies
	458.M	Depressive Symptoms in Early Recovery
