

2017 Business Partner Program – Partial Year

A Chapter of the Association of Legal Administrators

Founded in 1971, the Association of Legal Administrators is an international organization of more than 10,000 members representing more than 20 countries.

The Orange County Chapter, founded in 1979, provides quality educational programs and a variety of information resources on the local level. The Orange County Chapter serves approximately 140 members.

The Association of Legal Administrators' mission is to inspire excellence in the business of law.

Dear Potential Business Partners:

Welcome to the Orange County Association of Legal Administrators' 2017 Business Partner Program. We are one of the most active chapters in the 10,000+ member Association of Legal Administrators and are continuously recognized as a leader in providing outstanding resources for both our Members and Business Partners. Our Membership continues to grow, and we are always looking for opportunities for engagement between our Members and our Business Partners.

OC-ALA could not provide the educational and networking opportunities to our Members without the support of our Business Partners. Many of our Business Partners have supported our organization for many years. New Business Partners quickly recognize the opportunities available through active involvement and are anxious to become supporters. Our Members and Business Partners create a synergy that's hard to replicate.

We continue to work on exploring opportunities to implement the ideas you and our members have shared with us throughout the year. We understand the importance of more face-time with our Members—not just to sell but to develop positive relationships so you will be thought of first when a need arises. We'll continue to create opportunities for you to sponsor and/or participate in our educational sessions. We'll encourage you to bring new members to OC-ALA and get recognized for doing so. We will also continue to offer a variety of community service opportunities to allow our Members and Business Partners to work side-by-side to improve the lives of those in our communities.

2017 Business Partner Program – Partial Year

- The Orange County Chapter of the Association of Legal Administrators (**OC-ALA**) is pleased to offer this partial year opportunity to prospective Business Partners who were unable to participate in the program at the time of open enrollment. This "prorated" opportunity is not meant to itemize dollar for dollar each benefit when compared to the annual enrollment opportunity, but is designed simply as an offer for those vendors to get involved in Chapter sponsorship who are (1) new to the Chapter or (2) had a lapse in sponsorship due to a change of hands or economic reasons. It is expected that partial-year Business Partners will be interested in renewing at the annual open enrollment opportunity. Partial year opportunities are limited to a "prorated" Silver level sponsorship. Partial year business partners will not be eligible to sign up for additional partial years.
- If you are interested in participating after your review of the enclosed material, please complete the enclosed Registration Form. Payment is due upon submission of the Registration Form. **OC-ALA** will require logos for our website and e-newsletter as soon as practical.
- Please note that the Business Partner Program typically operates on a calendar year basis. Business Partner Program participation is subject to the guidelines and criteria set forth in the annual sponsorship packet.
- We hope you find this partial year opportunity of interest to your company. Thank you for supporting **OC-ALA's** mission.

Partial Year Business Partner Benefits

- Directory – Our Directory is published each year in April and is a premier resource for OC-ALA Members and Business Partners. The “Members By Name” section includes a list of OC-ALA Members, their contact information, and their firm/office demographics. The “Business Partners By Company” section is a list of OC-ALA’s Business Partners, along with contact information and a 50-word description of each company’s expertise and services. In the “Business Partners By Category” section, Business Partners are also listed according to their selected business services category/ies. Although the new edition of our directory for this year has already been printed, you will receive a copy and be able to take advantage of the extensive contact information contained in it.
- E-Newsletter – OC-ALA’s *Waves* is our timely and informative e-newsletter. Business Partners gain enhanced visibility by having their logos e-mailed to all of our Members (and Business Partners). Please see details regarding subscription and advertising sponsorship levels in this packet. *Waves* is distributed to Members, prospective Members/firms, as well as ALA’s Board of Directors and Regional Officers.
- Website Advertising – Our website www.OrangeCountyAla.org offers Business Partners a professional platform in which to display their company, contact information, logo, and website link.
- Business Partner Appreciation Mixer– This annual event, hosted by OC-ALA, is our way of saying “Thank You” to our Business Partners. This is a complimentary evening event that continues to increase in popularity each year. It is an informal way to recognize our Business Partners’ support and an incredible networking opportunity for attendees. It is typically held in late Fall and usually includes a fun networking activity.

SILVER LEVEL

Partial Year Cost

\$700
