### Job Summary

The Mission of the College of Osteopathic Medicine of the Pacific (COMP) is to prepare students to become technically competent, culturally sensitive, professional and compassionate physicians who are lifelong learners and will serve society by providing comprehensive, patient-centered healthcare with the distinctive osteopathic philosophy.

The role of the faculty in the Department of Family Medicine (DFM) is to train students according to the mission of COMP. This is accomplished through excellence in curriculum, translational research, service and osteopathic clinical practice. The faculty is expected to mentor and be a role model for students.

### Knowledge, Skills and Abilities

Individuals must possess these knowledges, skills and abilities or be able to explain and demonstrate that the individual can perform the essential functions of the job, with or without reasonable accommodation, using some other combination of skills and abilities.

1. Able and willing to practice the full scope of Family Medicine as defined by current College of Osteopathic Medicine of the Pacific/Western University Medical Center policies and practices.
2. Must possess good communication and interpersonal skills.

**Required Qualifications**

1. EDUCATION: DO or MD degree. Residency trained and Board Certified in Family Medicine
2. EXPERIENCE: 2-3 years experience in Family Medicine
3. LICENSURE: Unrestricted California State license. Unrestricted Drug Enforcement Agency certificate
4. PREFERENCES: Preference may be given to individuals who possess bilingual capabilities, have additional advanced degrees and clinical research experience
