

Target niche real estate groups with

ORRA Specialty Council Sponsorships

ORRA's specialty groups offer you the perfect opportunity to reach members interested in a particular real estate niche. These groups offer educational and networking events tailored for those with a common interest.

Global Real Estate Council of Orlando

Presents information and networking opportunities to increase members' international real estate transactions.

ORRA Property Management Council

Meets to discuss market trends and hosts educational presentations by property management experts.

Orlando Regional Commercial Council

Provides continuing education and networking forums to enhance REALTOR® success in commercial business.

Young Professionals Network

Helps young real estate professionals excel in through mentorships, networking, and community service.
