Many people helped in the creation of the “CDC Guidelines: From Policy to Practice by OSAP” workbook. Without their valuable guidance, expertise, and time, this workbook would not have been developed. OSAP would like to thank and acknowledge the following individuals:

Editor
Karen Ortolano
Writer/editor/designer/manager/director with more than 375 technical, educational, marketing, and contract-compliance document credits for print and web. Owner and Operator of Karen Gomolka Editorial Services.

Content Review Team
Helene Bednarsh RDH MPH
Director of the HIV Dental Ombudsperson Program, Boston Public Health Commission. In 1974 she received a B.S. and a Certificate in Dental Hygiene from the University of Michigan and was awarded Outstanding Dental Hygiene Alumni in September 1998 and the 2007 Distinguished Service Award from the University of Michigan Dental School. Ms. Bednarsh received a Masters in Public Health from the University of Texas, Health Sciences Center at Houston. She is Vice President of HIVDENT.

Eve Cuny MS
Director of Environmental Health and Safety and Assistant Professor in the department of Dental Practice at Pacific Dugoni School of Dentistry. Ms. Cuny is a consultant to the ADA Council on Scientific Affairs and the FDI Education Committee. She has served as an expert reviewer and advisor to the Centers for Disease Control and Prevention and is past chairperson of the Organization for Safety, Asepsis and Prevention.

Kathy Eklund RDH MHP
Director of Infection Control and Occupational Health, and Research Subject and Patient Safety Advocate at the Forsyth Institute in Boston, Massachusetts. She is an adjunct associate professor at the Massachusetts College of Pharmacy and Health Sciences, Forsyth School of Dental Hygiene, where she teaches senior level courses in oral health research.

Donald Marianos DDS MPH
A consultant in Dental Public Health. He earned his DDS Degree from Indiana University and his MPH degree in Health Administration from Loma Linda University. He spent over 20 years as a commissioned officer in U.S. Public Health Service, the last nine years of which were as the Director, Division of Oral Health, Centers for Disease Control and Prevention (CDC), Atlanta, GA. Dr. Marianos has served as a consultant to the American Dental Association, World Dental Federation (FDI), World Health Organization, Association of State and Territorial Dental Directors, American Association of Public Health Dentistry, and numerous other organizations and agencies. He has lectured in 15 countries and written numerous papers, articles, and other publication on dental infection control, HIV/AIDS and dentistry, and dental public health.

Shannon Mills DDS
Former dental officer in the United States Air Force, Dr. Mills completed a two year general dentistry residency at Wilford Hall US Air Force Medical Center and was certified by the American Board of General Dentistry. Dr Mills’ active duty assignments included the USAF Dental Investigation Service at the US Air Force School of Aerospace Medicine at Brooks Air Force, Base Texas, the Air Force Inspection Agency at Kirtland, Air Force Base, New Mexico, the Air Force Surgeon General’s Office in Washington, DC and the Defense Medical Standardization Board at Fort Detrick, Maryland. Dr Mills retired in the rank of colonel and joined the faculty of the University of Nevada School of Medicine in Las Vegas as an Associate Professor in the Dental General Practice Residency. In 2007, Dr Mills assumed the position of Vice President for Professional Relations and Science at Northeast Delta Dental in Concord, New Hampshire.

Charles Palenik PhD MS MPB
