

*Current Pedorthics* is the official bimonthly publication of the Pedorthic Footcare Association, along with *PFA Online*, the official monthly newsletter. Both are the only professional publications solely dedicated to the allied health care field of pedorthics. Coverage includes practical analysis of relevant medical literature; evidence-based device utilization and other treatment techniques; cutting-edge clinical and industry news; and practice management, marketing tips and business strategy.

Each issue of *Current Pedorthics* covers a range of topics, including: Advocacy, AFOs and SCFOs, Coding, billing and reimbursement, Diabetes, Foot orthoses, Footwear, Health care policy, Marketing, Materials and technology, Pedorthics, Rehabilitation, Retail Management, Sports medicine and Trauma.

*Current Pedorthics* has a readership of over 1,800 members and associates that are part of the continuum of care, utilizing pedorthic modalities to alleviate problems of the foot and ankle caused by disease, congenital conditions, overuse or injury. We strive to help pedorthic professionals build thriving practices while building a sense of community within the profession.

## Article Submissions

All articles prepared for submissions, must be sent *electronically* in either:

- 1) Microsoft Word or
- 2) Rich Text format

**Do not send** your article in the body of an email. Please include a cover letter with your mailing address, phone number, fax number and your email. Also provide brief biographical information and photo (headshot).

If additional *photos, tables* and or other *illustrations* are in your article, please send these in a **separate file** electronically from the text file, and should be given a **distinct filename**.
